

## Charitable Fraternal Recognition Program

The home office is conducting a new campaign in support of our members charitable deeds.

As a fraternal benefit society, not only do we assist our members with financial security through our insurance policies, we also give back to our member community through various programs.

Many of our members support causes close to their hearts. The Catholic Association of Foresters would like to recognize their time and efforts. Random drawings for three \$100 recognition awards will be held at the Executive Board's December meeting.

Activities for this program should be conducted from May 1, 2020 through November 15, 2020 with all submissions postmarked no later than November 20, 2020. A photograph **MUST** be submitted with the reporting form. Only one form per activity. As an example, if you work 20 hours over multiple days for an activity, only one form can be submitted for the entire activity. There is no limit to the number of different activities a member can submit.
